We are honored to write this letter on behalf of Ms. Eva Pillossof. Our son has been a student of Ms. Pillossof for this current academic year 2013-2014. Our child's progress under Ms. Pillossof has been tremendous. She is not only a good teacher, she is also very caring.

Ms. Pillossof's teaching methods and strategies are very effective in imparting knowledge and inspiring her students to achieve excellence. Her innovative ideas help to draw the strengths of her students.

Ms. Pillossof strives to create a fun, warm, and inviting classroom atmosphere. Her sincerity and support for each individual child has been the main reason for her students' success in achieving an all round Grade 10 education. We are very pleased with Ms. Pillossof's dedication

Ms. Pillossof's friendly disposition also helps in establishing an open communication with the parents.

We can only end this letter simply by saying **THANK YOU MS. PILLOSSOF!**
