

 International Private School	LETTER OF RECOMMENDATION
	EVA PILLOSSOF

Date: 25.11.2015

From: Petya Ivanova

Position: Principal at EIS

To: Whom it may concern

Eva Pillossof has requested me to write her a letter of recommendation. Every year, I am approached by several dozens of students and teachers who request a recommendation letter. However, I end up recommending only a few of them. I believe that a letter of recommendation is very serious business. I write one, only when I am convinced that the candidate is right for the position that they are applying for.

It gives me immense pleasure in recommending Eva Pillossof for the employment opportunity you are providing. I have known her for more than 4 years in my capacity as a Principal of EIS and Head of the Mathematics Department. During her 3rd year I was her mentor in developing programs of key importance to the school.

Her Project "Equal Educational Opportunities" was among the few best projects carried out in the school and was recognized on both national and international level by educational institutions.

She has shown the motivation, intelligence, preserving nature and analytical aptitude for the teaching profession. Her attendance and her presence of mind has been a key part of her educational career that has helped her to contribute positively while working as a part of our team.

In my view, Ms Eva Pillossof compares favorably with the best among my employees. I am sure, she will make an outstanding performance wherever she chooses to go. I recommend her in the strongest term and without reservation for employment at your institution.

Sincerely,
